James Family Prescott YMCA Child Care Behavioral Policy

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Child's Name _____ Program Attending _____ Age _____

Program policies are designed to meet state requirements to ensure the safety and well-being of all program participants, staff, vehicles and facility security. It is the desire of the Y staff that the children enjoy their time in the program, however, listening and abiding by age appropriate rules is expected of all children. It is essential that parents and staff work together to enhance every aspect of the program. Discipline begins with positive interaction that reinforces the appropriate behaviors we desire in the children in our program. It is our hope that YMCA Child Care programs provide a place of safety, growth, and positive interactions for children.

A serious guidance problem is defined as one in which the child is continually disrupting the smooth flow of the program in one of the following manners:

- Requiring excessive one-on-one attention
- Inflicting physical or emotional harm/injury on other children/staff
- Using inappropriate language and gestures
- Fighting, biting

If a serious guidance problem occurs, staff will give the child a timeout and/or attempt to redirect the child away from the behavior/activity, which is the cause of the behavior issue. Children may be removed from the situation if necessary but will at no time be left alone. The YMCA does not use any form of corporal punishment as a means of discipline. In the event these measures are not effective for a child we will take the following steps:

- First Violation: The child will be given a warning and parents will be given a written copy of the behavior upon pick-up.
- Second Violation: The parents will be called to come pick-up the child within 30 minutes, and the child cannot attend the program on the following day.
- Third Violation: Parents will be called to pick-up the child within 30 minutes, and the child will be given a week's suspension from the program.
- Fourth Violation: The child may be suspended from the program.

Zero Tolerance Behavior: Behavior that threatens or harms another person (adult or child) will not be tolerated. If your child exhibits this type of behavior you will be immediately called to pick up your child and services will be terminated. Types of behavior include violence with the intent to harm physically, mentally or emotionally, action deemed to be inappropriate or dangerous to themselves or others, aggressive intimidation, theft, destruction of property, carrying objects that would be deemed a weapon, possession of tobacco, alcohol or illegal substances.

Serious Behavior by Family Member: If a situation develops where a family member exhibits inappropriate behavior, the YMCA reserves the right to require the family to either: have other family members drop off / pick-up child or to withdraw their child(ren) immediately without notice. Examples of "inappropriate behavior" include, but are not limited to:

- Arriving at the YMCA impaired and attempting to remove their children from the program.
- Being abusive to staff members and/or other program participants.
- Failing to adhere to YMCA policies listed in the Child Care Parent Handbook.

The goal of this process is to allow every child an opportunity for growth as well as keep the environment safe for other children and staff working with the child.

Note: If your child has a disability that may impact his or her ability to comply with the above behavior policy and/or to fully participate in any of our programs, please let us know so we can discuss possible reasonable accommodations.

This necessitates that registered parents understand and support the following expectations and policies. Please sign below as documentation you have read and understand this document.

I understand that I must completely fill out a registration packet and pay a \$30.00 non-refundable annual registration fee as part of the registration process along with a copy of my child's current immunizations before my child attends.

I understand there are No Refunds, Transfers or Credits.

I understand child care hours of operation are 6:30 am - 6:00 pm. I understand that if I pick up my child after 6:00 pm, a late pick-up fee per child will be charged as follows:

- \$10 if you arrive between 1-10 minutes after the end of the program
\$20 if you arrive between 11-20 minutes after the end of the program

Late pick-up fees must be paid before your child returns to the program. If you are late, we will call your home and your place of employment. If we have not heard from you, all emergency contact numbers provided on your child's emergency information card will be contacted. If emergency contacts are unavailable, Dept. of Child Safety (DCS) or local authorities will be called.

I understand that if my child cannot attend the School Age Program on a day we are expecting them, I will call the Child Care Assistant Line 445-7221 x224 and leave a message by no later than 2:00pm. If I do not call in, I will be charged \$10.00.

I understand my child may not be able to attend programs if any of the following incidents occur: failure to pay for services, continued late pick-up of children, extreme behavioral issues involving my child, lack of cooperation regarding policies and procedures, or consistent past due balances.

I understand my child will only be released to individuals approved on the "Emergency Information and Immunization Record Card" (blue card). If I need someone to pick up my child who is not on the list, I will inform the director of the individual's name, dates and times. Arizona Department of Economic Security Child Care Administration has specific policies and procedures that both the YMCA and the parent need to follow. We want DES to pay for your child and not you, the parent. This necessitates that registered parents understand and support the following expectations and policies regarding DES Child Care. Please sign and date below as documentation you have read and understand this agreement.

I understand that I need to sign a "DES Provider / Parent Agreement for Child Care Charges" and that this is a DES requirement.

I understand that if the YMCA does not receive authorization from DES that I will make the full payment for days my child attends.

I understand the licensing regulations require me to **sign my child in and out of the program daily. I will legibly print the exact time and sign using my legal signature as it appears on my driver's license.** I will provide a copy of my driver's license to keep on file. **I will use ink only.** If I do not, DES Child Care will not pay the YMCA and I will be responsible for the full payment.

I understand that if I have a zero co-pay and do not owe any money for my child's attendance, I still need to register my child by Friday before my child attends.

I understand that if DES is paying for a full day, my child needs to attend a minimum of 6 hours. If I pick-up my child before the 6 hours I will pay the difference of a half and full day.

I understand that if I go over my authorized amount of days for the month, I will be responsible for the full payment of those days.

I understand that DES only covers 2 missed days during a month. If my child misses more than 2 days, DES Child Care will not pay the YMCA and I will be responsible for the full payment.

Child Illness Policy

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Child's Name _____ Program Attending _____ Age _____

Our Child Illness Policy is based on the Model Health Care Policies developed by the American Academy of Pediatrics.

Prescott YMCA understands that it is difficult for a parent/guardian to leave or miss work; therefore, it is suggested that alternative arrangements be made for occasions when children must remain at home or be picked up due to illness. Exclusion from the center is sometimes necessary to reduce the transmission of illness or because the center is not able to adequately meet the needs of the child. Mild illnesses are common among children and infections are often spread before the onset of any symptoms. In these cases, we try to keep the children comfortable throughout the day, but will find it necessary to exclude them from the child care setting for the following reasons (this list covers most common illnesses, but is not inclusive of all reasons for exclusion).

Child's Exclusion Due to Illness

- Illness that prevents the child from participating comfortably in program activities.
- Illness that results in a greater need for care than our staff can provide without compromising the health and safety of other children.
- Illness that poses a risk of spread of harmful disease to others
- Fever (100° axillary (armpit), 101° orally, 102° aural/ear)* and behavior change or other signs and symptoms, e.g., sore throat, rash, vomiting, diarrhea, lethargy, irritability, constant crying, difficulty breathing.
- Diarrhea — more watery stools or decreased form of stool that is not associated with change of diet.
- Blood or mucus in the stools not explained by dietary change, medication, or hard stools, and/or uncontrolled, unformed stools that cannot be contained in a diaper/underwear or toilet. Special circumstances that require specific exclusion criteria include the following:
 - Toxin-producing E coli or Shigella infection, until the diarrhea resolves and the test results of 2 stool cultures are negative for these organisms
 - Salmonella serotype Typhi infection, until diarrhea resolves. In children younger than 5 years with Salmonella serotype Typhi, 3 negative stool cultures are required.
 - Vomiting in the previous 24 hours unless the vomiting is determined to be caused by a non-communicable condition and the child is not in danger of dehydration.
 - Mouth sores with drooling unless the child's medical provider or local health department authority states that the child is noninfectious.
 - Abdominal pain that continues for more than 2 hours or intermittent abdominal pain associated with fever, dehydration, or other signs of illness.
 - Rash with fever or behavioral changes, until a physician has determined it is not a communicable disease.
 - Purulent conjunctivitis (defined as pink or red conjunctiva with white or yellow eye discharge) until on antibiotics for 24 hours.
 - Impetigo until 24 hours after treatment has been started.
 - Strep throat (or other streptococcal infection) until 24 hours after treatment has been started.
 - Head lice until after treatment and all nits are removed.
 - Rubella, until 6 days after the rash appears.
 - Scabies until 24 hours after treatment has been started.

- Chickenpox, until all lesions have dried or crusted (usually 6 days after onset of rash).
- Pertussis (Whooping cough) until 5 days of appropriate antibiotics.
- Mumps, until 5 days after onset of parotid gland swelling.
- Measles, until 4 days after onset of rash.
- Hepatitis A virus until 1 week after onset of illness or jaundice or as directed by the health department (if the child's symptoms are mild).
- Tuberculosis, until the child's medical provider or local health department states the child is on appropriate treatment and can return.
- Any child determined by the local health department to be contributing to the transmission of illness during an outbreak.

*Any child with a fever of 104° will be excluded and should receive medical attention as soon as possible. We ask that for your child's comfort and to reduce the risk of contagion, children be picked up within 30 minutes of notification. Until then, your child will be kept comfortable and will continue to be observed for symptoms. Children need to remain home for 24 hours without symptoms before returning to the program, i.e., the child needs to remain out of the center for the remainder of the day he/she is sent home and the following day (if a child is sent home Friday, he/she may return Monday), unless the center receives a note from the child's medical provider stating that the child is not contagious and may return to the center. In the case of a (suspected) contagious disease, rash or continuing symptoms, a doctor's note may be required before returning.

We Care Health and Safety_ Health Care US page 2 of 3 Updated 7/2012

Required Conditions for a Child to Return to the Center

Children who have been excluded may return when:

- They are free of fever, vomiting, and diarrhea, without medication for 24 hours.
- They have been treated with an antibiotic for a full 24 hours, if antibiotic is prescribed.
- They have been treated for head lice and free of all nits.
- They are able to participate comfortably in all usual program activities, including outdoor time.
- They are free of open, oozing skin conditions and drooling (not related to teething) unless:
 - 1) The child's health-care provider signs a note stating that the child's condition is not contagious, and;
 - 2) The involved areas can be covered by a bandage without seepage or drainage through the bandage.

If a child has been out of the center due to any of the reasons above or any other reason deemed necessary by the child's medical provider, please let the center know. It may be beneficial to share this information with families in the center. If so, your family information will remain confidential; however, this will help staff and families observe the other children for symptoms and could assist their medical provider in making a diagnosis.

If a child is excluded because of a reportable communicable disease, a doctor's note stating that the child is no longer contagious and may return is required.
