Guidelines:

- Your child's valid membership card must be presented and scanned each time they attend.
- Parents must remain on the Prescott YMCA property.
- Children may stay in Kid Zone for a maximum of two hours.
- Parents need to sign their child in and out. For the safety of your children, if someone other than the parent is picking up, notification must be given in advance. Until staff gets to know you, you may be asked to present identification when picking up your child.
- Parents must inform staff where they will be via the sign-in sheet, in the case that staff needs to find you during your workout.
- We do not prepare or eat food in Kid Zone. Please enjoy snacks and meals before or after attending.
- Staff members do not change diapers. In the case that a diaper change is needed, parents will be asked to change their child. Please have your child use the restroom before attending Kid Zone.
- Children must be in good health to attend. If your child exhibits any symptoms of illness, we will notify you and ask you to pick up your child. Staff may not administer any medications.
- We will make every effort to accommodate children with special needs.
- Appropriate paperwork must be completed and on file along with payment of registration fee.
- YMCA staff will use redirection and positive reinforcement while working with your child. If these techniques are not successful or your child poses a danger to self or others, we will locate and notify you.
- Children must be fully clothed (no swimsuits) and wearing shoes to be in the Kid Zone area.
- IPADS, cell phones, computers or electronics are allowed in the Kid Zone, but headphones must be used.
- Failure to adhere to the Kid Zone guidelines may result in the loss of the privilege.

This YMCA family member benefit is designed to provide a safe place for children to play while their parents are using the facility. Parents and children must have a current YMCA membership. This service is ONLY available to parents for their own children.
