Behavioral Policy

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Program policies are designed to meet state requirements to ensure the safety and well-being of all program participants, staff, vehicles and facility security.

Tobacco products, drugs, alcohol, stealing, fighting, unsafe behavior, leaving the group, property damage or violence is not consistent with the core values we are trying to convey in our dance programs, for this reason they will not be permitted on YMCA property. Further in creating programs that enhance a child's growth in caring, honesty, respect, and responsibility; ethnic jokes, swearing, and/or name calling will not be permitted in program.

Discipline begins with positive interaction that reinforces the appropriate behaviors we desire in the children in our program. It is our hope that YMCA Dance programs provide a place of safety, growth, and positive interactions for children. In the event these measures are not effective for a child we will take the following steps: A behavior note describing the specific behavior we are working on will be sent home for the parents to sign and return. This is to keep parents informed of what we are working on and is in hope we can work together to bring the child to the behaviors that are desired in program. If the behavior continues, a second notice will be sent home and a parent conference will be requested with the parent, child, and the program coordinator. If there is a third occurrence, this will lead to a suspension from the program for the remainder of the day. After the child returns from the suspension it is recommended the parents spends the first day checking in and out on their child. It is important to realize that another occurrence of a behavioral notification will lead to permanent expulsion from our programs. The goal of this process is to allow every child an opportunity for growth as well as keep the environment safe for other children and staff working with the child.
